Demergence of Institutions: The Case of Coursehouses and the Evolution of the System of Higher Education in Turkey*

Ankara Social Ontology Group (ASOG):
Bahar Araz (Baskent Univ.), Sinem Aydin (MSc Candidate, Ankara Univ.), Ziya Can (PhD Candidate, Baskent Univ.), Isiner Hamsioglu, (MSc Candidate, Nevsehir Univ.), Orcun Kasap (MSc Candidate, Ankara Univ.), Ersin Senel (MSc Candidate, Ankara Univ.), and Altug Yalcintas (Ankara Univ.)

Contact author: Altug Yalcintas, altug.yalcintas@politics.ankara.edu.tr

* Presented at the World Interdisciplinary Network for Institutional Research Conference, 2-5 September 2016, Boston, MA. The announced title of the original paper was “Reproductiveness of Higher Education Institutions in Turkey: The Case of ‘Coursehouses’”
Emergence vs. Demergence
Emergence vs. Demergence
Emergence vs. Demergence
Flow of students throughout their educational career before the emergence of coursehouses

- **Primary Education** (5 years)
- **Secondary Education – Phase 1** (3 years)
- **Secondary Education – Phase 2** (3 years)
- **University Education** (4 years)

Formal Education

7-year olds

Age (22+ years)
Massification of Higher Education in Turkey - I

- Population (ages 15-24)
- Number of universities
- Entrance exams
- First-year enrollment
Massification of Higher Education in Turkey - II

- Population (ages 15-24)
- Number of universities
- Entrance exams
- First-year enrollment
Flow of students throughout their educational career during the emergence of coursehouses

Formal Education

- Primary Education (5 years)
- Secondary Education – Phase 1 (3 years)
- Secondary Education – Phase 2 (3 years)
- University Education (4 years)

“Shadow Education”

- Coursehouse

7-year olds -> Age (22+ years)
Flow of students throughout their educational career after the emergence of coursehouses at various levels

- **Coursehouse Level 1**
- **Coursehouse Level 2**
- **Coursehouse Level 3**
- **Coursehouse Level 4**

**Formal Education**
- Primary Education – Phase 1 (4 years)
- Primary Education – Phase 2 (4 years)
- Secondary Education (4 years)
- University Education (4 years)

**“Shadow Education”**

Age (66 to 72 months)  
Age (22+ years)
Flow of students throughout their educational career after the emergence of coursehouses at various levels

- **Coursehouse Level 1**
- **Coursehouse Level 2**
- **Coursehouse Level 3**
- **Coursehouse Level 4**

**“Shadow Education”**

- Primary Education – Phase 1 (4 years)
- Primary Education – Phase 2 (4 years)
- Secondary Education (4 years)
- University Education (4 years)

**Formal Education**

- Age (66 to 72 months)
- Age (22+ years)
Flow of students throughout their educational career after demergence

- **Coursehouse Level 1**
- **Coursehouse Level 2**
- **Coursehouse Level 4**
